14	Interest Service Coverage Ratio	-	-	-	-	2.54	-	-	-	-	-	1.51	-

**Notes:**

- The above is an extract of the detailed format of financial results for the quarter and half year ended September 30, 2020 filed with the Stock Exchanges under Regulation 33 and Regulation 52 of the SEBI (Listing and Other Disclosure Requirements) Regulations, 2015, as applicable. The full format of the Financial Results are available on the Stock Exchange websites ([www.bseindia.com](http://www.bseindia.com) and [www.nseindia.com](http://www.nseindia.com)) and on Company's website ([www.bluedart.com](http://www.bluedart.com)).
- The rapid spread of the COVID-19 pandemic globally followed by lockdown in the country continues to impact our performance during the quarter and half year ended September 30, 2020. The Company has put in various measures to protect its employees as well as customers from the spread of infection by introducing strict safety protocols, social distancing, wearing of masks, frequent sanitisation of facilities and regular training to employees for spreading awareness. The Company has been operating its services all through the lockdown to support movement of essential goods and gradually scaling up its operations in compliance with the guidelines issued by the Central/State and local authorities from time to time. The Company has taken into account the impact of COVID-19 in preparation of the stand-alone financial results including its assessment of going concern and recoverability of the carrying amounts of financial and non-financial assets. The extent to which the pandemic will impact our future financial results is currently uncertain and will depend on further developments and social distancing rates.
- The above results were reviewed by the Audit Committee and were thereafter approved by the Board at its meeting held on October 29, 2020. There are no qualifications in the Auditor's Report issued on the financial statements as at and for the half year ended September 30, 2020.
